

Grown-up sheet • Level 3 • Clue Island • Big game

This is the seventh and last island of Level 3: right and left, paths with "forward" and "turn", "if... then" rules, and guess who.

Child

Date

How to use it

1. Watch the video together with your child. **Don't give them the answer.** If they stay quiet, wait for Pipo to say it.
2. For each challenge, mark just one box:
 - ✓ if they answered on their own, before the circle emptied.
 - ½ if they answered late or with help.
 - X if they didn't answer or got it wrong.
3. Pause the video to write things down if you need to.
4. At the end, look at the "**What to review?**" table.

What to watch for on this island:

- **Right and left:** these are from the child's point of view, as they see the screen. At this age it's still normal to hesitate; it's fine if they raise a hand to check.
- **Forward and turn:** the typical mistake is moving the chick when it turns. Turning isn't walking: it only changes which way the chick is facing.
- **If... then:** notice whether they understand that when no rule fits, you do nothing.
- **Guess who:** what matters is using both clues, not just the first one.

What to do next:

- **Everything mastered:** Level 3 is done! Before going on, it's a good idea to do the end-of-level check-up.
- **One block not mastered:** rewatch those videos for 2 or 3 days.
- **Two or more blocks not mastered:** it's worth spending one more week on this island. Right and left usually settles in around age 6 or 7: it doesn't need to be perfect to move on.

Common mistakes at this age:

- **Mixing up right and left** (challenges 1, 2, and 9): put a bracelet on their right hand for a week and ask "Which side is the bracelet on?"
- **Moving the chick when it turns** (challenges 3, 4, and 10): play robot: the child turns in place without taking steps, then moves forward.
- **Doing something even when the rule doesn't fit** (challenge 6): play "if I say red, jump"; with other colors, freeze!
- **Using only the first clue** (challenges 7 and 8): after each clue, cover with your hand whatever it can't be anymore.
